

## LED G4 Lamp

### VERSION 5

### SPECIFICATIONS

- Available in 3000K/4000K
- Compact size allows versatile applications
- Ceramic & Polycarbonate Finish
- 12V AC/DC
- CRI >80
- IP20
- Operating Temperatures: -20°C to 40°C

### APPLICATIONS

G4s are typically found in decorative applications, such as in chandeliers or in-ceiling light fixtures and housings.

Arani's G4 Version 5 LED lamp is highly energy efficient, delivering 130 lumens at 1.5 watts. Designed to be compact for maximum versatility, this G4 lamp is available in 3000K or 4000K. The 330° beam angle allows even dispersal of light for perfect ambient lighting.

SERIES	POWER (WATTS)	EQUIVALENT TO (WATTS)	LUMENS	BEAM ANGLE	COLOR TEMPERATURE	MODEL NUMBER
G4 Lamp Version 5	1.5	10	130	330°	3000K	BG4-30K-V5
					4000K	BG4-40K-V5
