PRODUCT DETAILS

Photocell Compatible
Optional photocell accessory allows further energy savings and automation

Superior Engineering
Engineered to dissipate heat, this attractive and robust die-cast alumnium body is equipped with cooling fins and industrial cooling paste to maximize the fixture's life

Extremely Protected Driver
The high-performance driver is accessible only from below, shielding it from the elements when installed.

IP65 Water-Tight Seal
A double-sided and waterproof silicone seal ensures our shoebox flood light is suitable for all applications.

Optimal Performance
High grade cooling paste reduces stress to the system for unrivaled performance

High Efficiency EMC3030 LEDs
Providing up to 140lm/w, these highly efficient LEDs are built for the long-haul

High Quality Lens
A premium clear cover allows precise light distribution, and will not yellow with age.
