

DUSK TO DAWN NIGHTLIGHT

PRODUCT DESCRIPTION:

MaxLite's LED Dusk to Dawn Night Light is the easy and energy-saving way to light your home at night. This plug-in night light features a dusk-to-dawn sensor that automatically turns the light on at night and off during the day. The compact size is perfect for adding small amounts of light to closets, bathrooms and hallways.

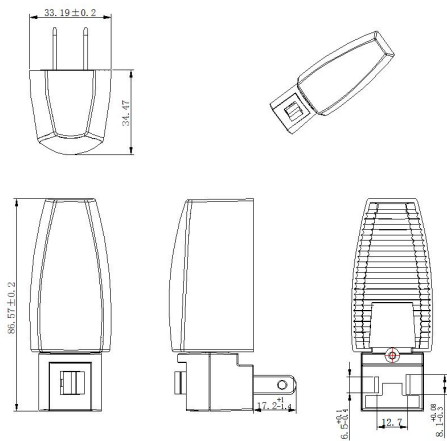

WARRANTY:

1-year standard warranty
(further details available at www.maxlite.com/warranties)
