

SILO SERIES

ARCHITECTURAL STRIP FIXTURES

DESCRIPTION

Reno Lighting's new Silo Series Architectural Linear Strip allows for unlimited creativity and flexibility in lighting design. We have a wide range of architectural profiles for any lighting project and application. Enjoy the versatility of a wall mount, ceiling mount, pendant mount, and trimless drywall application options. Welcome to the new trend in lighting!

APPLICATIONS

- Office Space
- Store Fronts
- Hotel Lighting
- Conference Space
- Restaurant Lighting
- Multi-Res Lighting
- Residential Lighting
